Creating strategic growth through superior M&A intelligence.

The left screenshot displays the DACIS DM&A search results page. It features a navigation bar with 'DM&A' selected, a search bar, and a list of transactions. The transactions are organized into sections: 'New or Updated Coverage | 04 February 2025', 'New or Updated Coverage | 03 February 2025', 'New or Updated Coverage | 31 January 2025', and 'New or Updated Coverage | 30 January 2025'. Each transaction entry includes the date, price, and a brief description of the deal.

The right screenshot shows a detailed view of a transaction titled 'Serco, Inc. to Acquire the Mission Training and Satellite Ground Network Communications Software Business of Northrop Grumman Corp.'. It includes a 'BRIEF' section with a summary of the deal, a 'BUY SIDE' table, a 'TOOLS' section, and a 'COMPARABLE DEALS' section. The 'COMPARABLE DEALS' section lists several other transactions with their respective dates, prices, and descriptions.

Extensive customizable search leads to...

...deep deal-level information and analysis.

News and information abound, but DM&A delivers perspective and insight that help you understand the players and trends taking place in the markets that matter to you.
